

## Our Heartfelt Thank You

### Dear Donors and Valued Students,

As we begin a busy new year, we would like to thank you for your loyal support of the Kappeler Institute USA. You are the big reason for our success this past year. And with your renewed support, the KI USA will have the resources we need in 2010 to make a critical difference to our:

- Ongoing publishing projects
- Converting audiocassettes to digital CD-mp3s
- Upgrading our computer hardware/software and migrating to Windows 7
- Worldwide outreach, including a co-operative venture with The John W. Doorly Trust, UK
- Continued efforts to better support students in their study
- Newsletters that provide topics for individual home study programs

Max Kappeler set a high spiritual standard that is unequaled in the world today. Your gift to the Kappeler Institute USA honors this high standard of Truth, and also shows that you continue to value the work that we are doing to uphold the Kappeler legacy. Our work at the Institute is following Mrs. Eddy's spiritual message concerning scientific obstetrics: "Its beginning will be meek, its growth sturdy, and its maturity undecaying" (S&H 463:15).

### Your Giving

The KI USA welcomes contributions of all kinds, and as a nonprofit, tax-exempt 501(c)(3) corporation under the laws of the State of Delaware, USA, your monetary donations and bequests are tax-deductible. Good investment and careful supervision is of major importance to us. To assure that Kappeler's work continues to inspire new students and impact thought, your ongoing donations and bequests are needed.

#### OFFICERS

**Your Partnership is Indispensable**

Max Kappeler's initial bequest to the KI USA laid a solid foundation for the early progress of the Institute. Today, the operating fund of the Kappeler Institute comes from students and generous donors. It is KI USA's mission to develop and support good students, and to make sure everyone has the study materials they need to continue their progress in developing spiritual consciousness. Many of our best students are also donors because they recognize the value Science brings to themselves and the world. With your partnership, the Kappeler Institute will continue to be a vital transparency for the Christ-idea.

We will be working on our annual budget in the next few weeks, so please consider a timely donation to the Institute. If you would like to make a tax-deductible contribution and inform us of your gift preferences, please use the enclosed form. Your partnership is indispensable to our progress.

On behalf of the Kappeler Institute's officers and staff, thank you immensely for your generosity. You are truly a wonderful friend of Science.

With gratitude,
