 - pragmatism – CS
- d) Ascending way from CS to Sc – way of understanding
- e) Descending way from Sc to CS – way of demonstration
- 5-B The Model of Being “*The Chart*”
- WORD Introduction:
- a) Definition

- biblical symbols correlative to the synonyms for God
 - subjective/objective view of W
 - annihilating error
- 9-A Interrelationship between dSc/aCS/CS
- Review of the Word
- Word-order brings out law of creativity
 - Example: 3rd degree of understanding: duNoüy
- 9-B ...continued
- Inverted Word-order establishes whole sense of Being, therefore handles belief of evil

-
- 10-A 1. Dimensionalism: relationship of the levels is necessary to give truth to a subject.
- Example: question of life and death
- 10-B ...continued
2. Law of interdependence in dSc/aCS/CS (As we rise we need fewer symbols)
- a) Law of interdependence in the W

- 12-A Li, T, Lo on P – Lo
- 12-B ...continued
- c) Biblical symbolization of the scientific law

- 16-A
- implications of the “Two Translations”
 - definition of translation
 - both translations go on simultaneously understanding and demonstration are not two different things
 - there is just one translation having a divinely subjective aspect and a humanly objective aspect
 - start from the divinely subjective standpoint, the “first translation”
- 16-B
- neither translation stands alone
 - meaning of “understanding”

Science

Science

“Knowledge of a single fact, not known as related to any other, or of many facts not known as having any mutual relations or as comprehended under any general law, does not reach the meaning of science: science is knowledge reduced to law and embodied in a system.”
(Funk & Wagnall Dictionary)

“...facts systematically classified...” (Oxford)

“Science is not a fact-finding activity, but a fact-arranging activity.” (Bronowski)

“...science... includes trustworthy methods for the discovery of new truths within its own domain.” (Oxford)

NOT: knowledge of single facts

BUT: classifications, categories, relations within a system, points of intersection
of categories

LEADS TO: discovery of new truths

Structure

structura = to arrange; to fit together, ordering .

Definitions: the interrelationships of parts as dominated by the general character of the whole.
(Webster)

the sum total of relationships which maintains the communication among
the different parts of the whole. (Professor Amar)

Structuralism

= that method of procedure which transforms every problem into a structural problem
(Professor Amar)

= the object under consideration and its elements are now seen as points of intersections of
multivarious systems of reference.

The 7 synonyms for God

“Mind, Spirit, Soul, Principle, Life, Truth, Love” (S&H 465: 10)

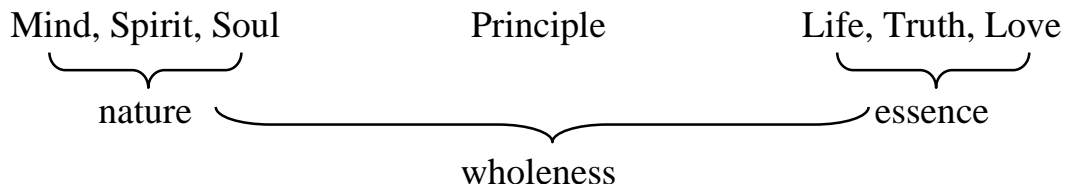

Synonymous:

- a) words which within certain limits can be used interchangeably;
- b) while outside of these limits they may differ very greatly in meaning and use. (Funk & Wagnall)

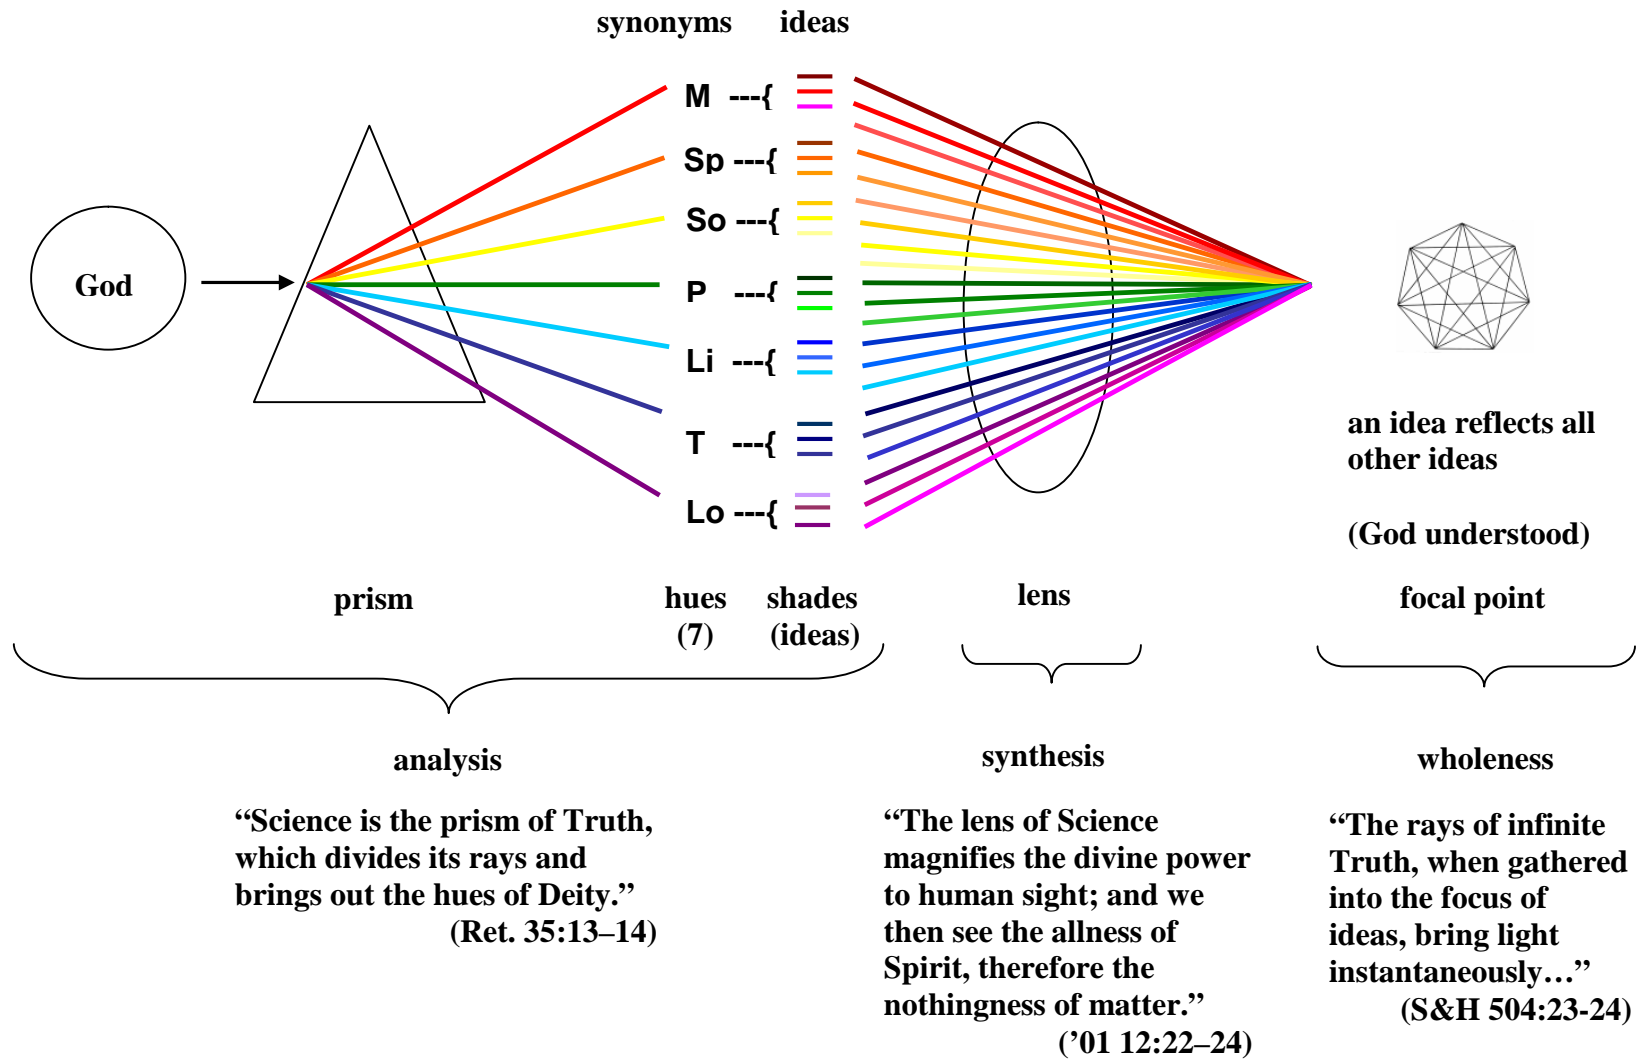

“Are these terms synonymous?”

They are.

- a) They refer to one absolute God.
- b) They are also intended to express the nature, essence, and wholeness of Deity.” (S&H 465: 11-14)

Christian Science

S&H: 465 “What is God? God is...
Mind, Spirit, Soul, Principle, Life, Truth, Love.” (7)

absolute Christian Science

S&H: 330 “The deific definition” (M.H.)
“God is what the Scriptures declare Him to be:
Life, Truth, Love.” (3)

divine Science

S&H: 331 “Divine trinity” (M.H.)

The law of interdependence in the Word

Example: “Mind”

Christian Science

Because there is Mind, there is right thinking

absolute Christian Science

Because Life, Truth and Love is Mind, thinking is put into operation:

- Life impels thoughts
- Truth impels true thoughts
- Love impels successful thoughts

divine Science

Because there is only one Life:

- all can have the same divine thoughts

The law of interdependence in the first record of creation

Genesis 1:1
(S&H 502:21)

“In the beginning God created the heaven and the earth.”

Science itself

“The infinite has no beginning. This word *beginning* is employed to signify *the only...*”

divine Science

“...that is, the eternal verity and unity of God and man, including the universe.”

absolute Christian Science

“The creative Principle—Life, Truth, and Love—is God. The universe reflects God. There is but one creator and one creation.”

Christian Science

“This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God.”

Genesis 1:2
(S&H 503:6)

“And the earth was without form, and void; and darkness was upon the face of the deep. And the spirit of God moved upon the face of the waters.”

Science itself

“The divine Principle and idea constitute spiritual harmony—heaven and eternity. In the universe of Truth, matter is unknown. No supposition of error enters there.

divine Science

“Divine Science, the Word of God, saith to the darkness upon the face of error, ‘God is All-in-all’ and the light of ever-present Love illumines the universe.”

absolute Christian Science

“Hence the eternal wonder — that infinite space is peopled with God’s ideas, reflecting Him in countless spiritual forms.”

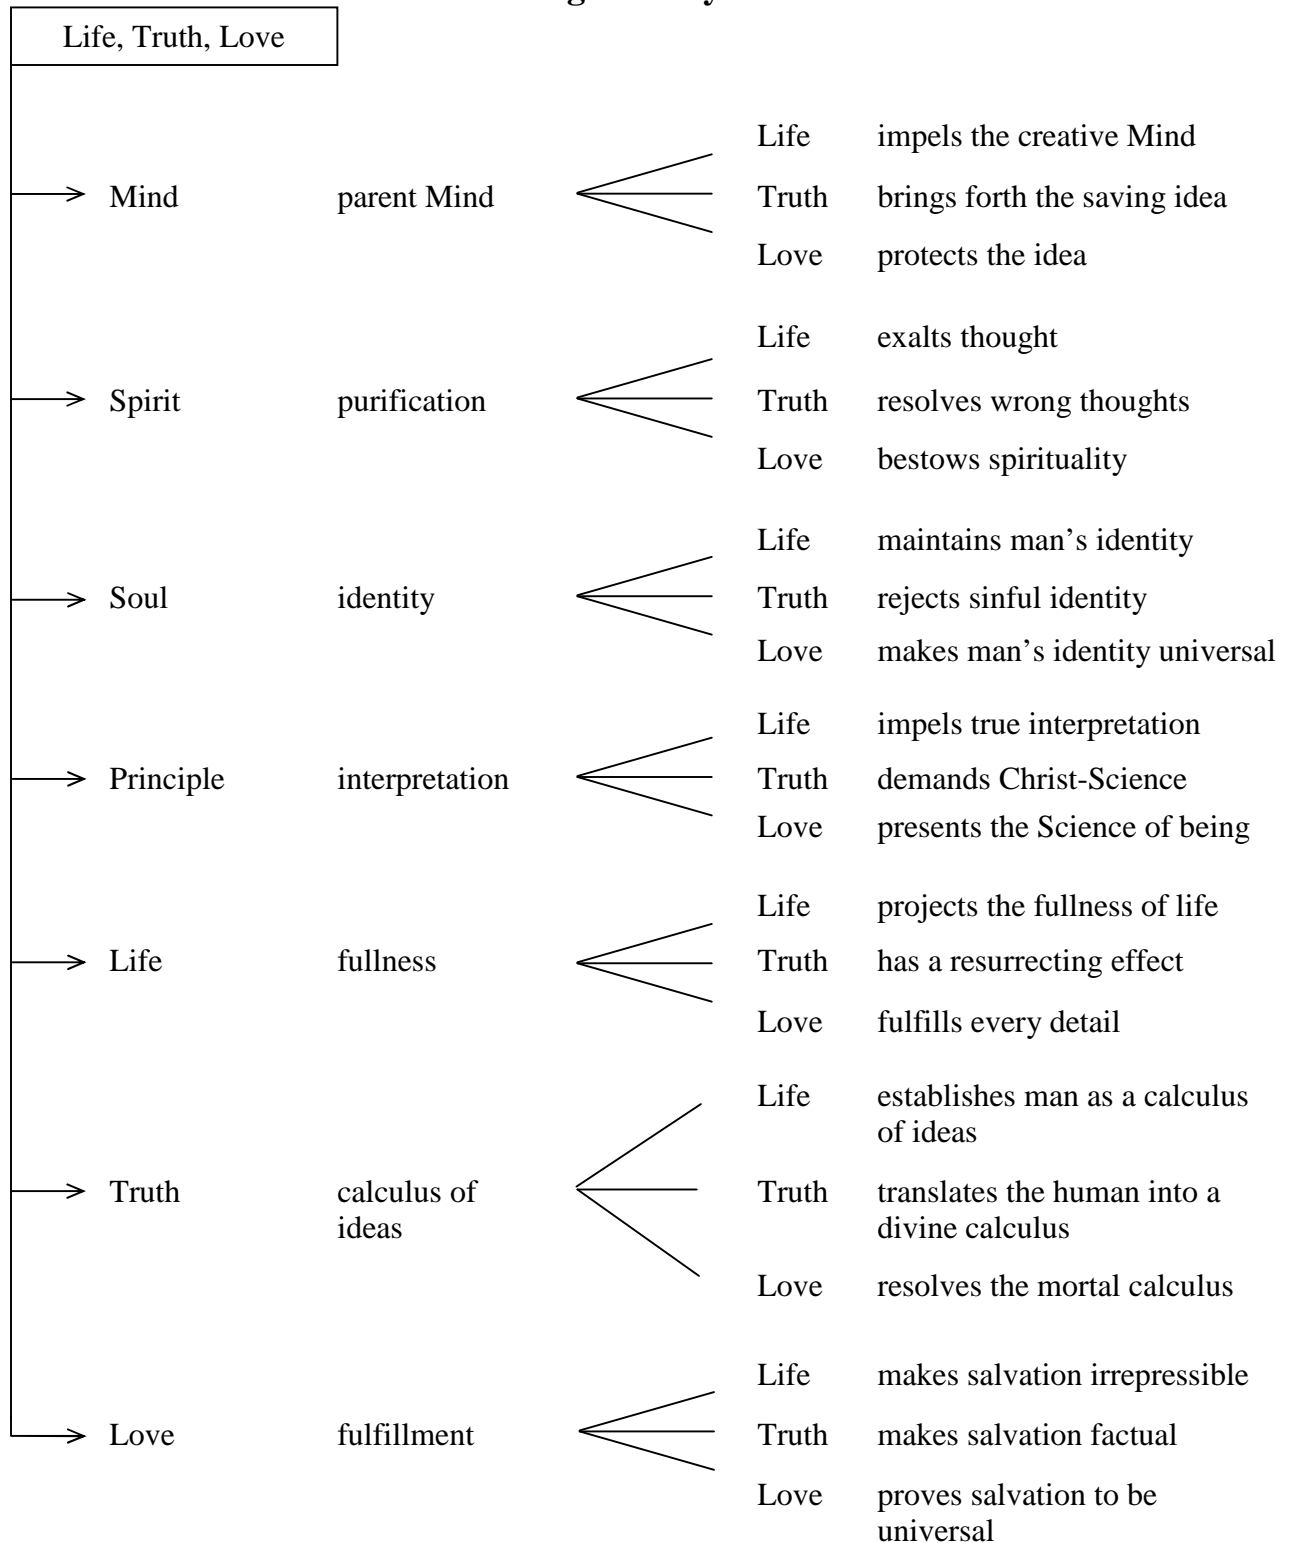

Christian Science (from the *Exegesis in Science and Health* of the seven days of creation)

“ascending the scale of being” — “periods of progress” — “ascending order” —
“advancing spiritual steps” — “ascending higher” — “rising from the lesser to the greater”

**The law of interdependence in the Word
illustrated through the seven days of creation
(Gen. 1:3–2:2)**

Day of Creation	Life: The Creative	Truth: The Factual	Love: The Fulfilled
1 st Day	Let there be light (1:3)	And God divided the light from the darkness (1:4)	And God called the light Day (1:5)
2 nd Day	Let there be a firmament (1:6)	And God made the firmament (1:7)	And God called the firmament Heaven (1:8)
3 rd Day	Let the dry land appear (1:9, 10)	Let the earth bring forth grass, and herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself (1:11)	And the earth brought forth grass, and herb, and the tree yielding fruit (1:12, 13)
4 th Day	Let there be lights...for signs and for seasons and for days, and years...to give light on the earth (1:14, 15)	God made two great lights...to rule the day and the night (1:16)	God set them in the firmament of the heaven...to rule (1:17–19)
5 th Day	Let the waters bring forth abundantly the moving creature that hath life (1:20)	God created great whales, and every living creature that moveth...and every winged fowl (1:21)	God said, be fruitful and multiply (1:22, 23)
6 th Day	Let the earth bring forth the living creature (1:24, 25)	Let us make man in our image, after our likeness. God created man in His own image (1:26, 27)	Be fruitful, and multiply...and have dominion (1:28–31)
7 th Day (as Truth) (as Love)	Heavens... (2:1) On the seventh day God ended... (2:2)	And earth... (2:1) ...His work which He had made... (2:2)	and all the hosts of them were finished (2:1) ...And he rested... from all His work (2:2)

**Summary of the law of interdependence in “The Word”
Illustrated through the layout of “ St. Matthew”**

St. Matthew

The law of interdependence in the Word illustrated through the layout of St. Matthew

The seven stages of unfoldment (Christian Science)
from the standpoint of Life, Truth, and Love (absolute Christian Science)

- MIND** **Life, Truth, and Love manifest the divine Parent-Mind and thus bring to light the true idea of man (Matt. 1:1–2:23).**
- Life: Under the impulsion of Life, the creative Mind manifests uninterruptedly its own idea (Matt. 1:1–17).
 – the genealogy of Jesus (“...begat...begat”)
- Truth: The idea which is brought forth by the impulsion of Life is the idea of Truth: the saving Christ-idea (Matt. 1:18–25).
 – Mary’s conception of Jesus (= Saviour)
- Love: Love protects the idea from the assaults of mortal mind (Matt. 2:1–23).
 – the wise men - escape to Egypt - Herod - return to Nazareth
- SPIRIT** **Life, Truth, and Love unfold, through the baptism of Spirit, the idea of man purified from all mortal beliefs (Matt. 3:1–17).**
- Life: The inspiration and exaltation of Life arouses in man the desire for the things of Spirit (Matt. 3:1–9).
 – the baptism of repentance
- Truth: The factuality of Truth resolves all that is wrong in man and lets only that which is true unfold in him (Matt. 3:10–11).
 – the baptism of the Holy Ghost
- Love: The perfection of Love brings forth in an ordered way the purely spiritual identity of man (Matt.3:12–17).
 – the baptism of Spirit
- SOUL** **Life, Truth, and Love impel the true identification of man (Matt. 4:1–22).**
- Life: Life identifies itself in man as his only provider and maintainer (Matt. 4:1–7).
 – 1st temptation (to turn stones into bread)
 – 2nd temptation (pinnacle of the temple:
 “cast thyself down”)

Truth: The Christ-Truth in man rejects sin and affirms the divine identity of man (Matt. 4:8–11).
– 3rd temptation (“Get thee hence, Satan”)

Love: Love makes each one become conscious of their universal identity (Matt. 4:12–22).
– Jesus calls the disciples and makes them fishers of men

PRINCIPLE **Life, Truth, and Love reveal the interpretation of the Science of man (the Sermon on the Mount) (Matt. 4:23–7:29).**

Life: Life impels the divine Principle to interpret itself to man in an ordered way as a healing Science (Matt. 4:23–5:9).
– Jesus healed all manner of disease
– The Beatitudes (“blessed are...”)

Truth: Truth demands “Christ-Science” instead of “right thinking” in order to establish harmony in man (Matt. 5:10–48).
– Jesus’ teaching versus human opinions

Love: Love fulfills the Science of man through the Science of Life and the Science of the one Being (Matt. 6:1–7:29).
– Jesus teaches the Science of Life, a new style of life, in contrast to a hypocritical life (Matt. 6:1–7:12).
– Jesus teaches the Science of Being (Matt. 7:13–29)

LIFE **Life, Truth, and Love demonstrate the fullness of life (Matt. 8:1–14:36).**

Life: The impulsion of Life demonstrates the fullness of life individually (Matt. 8:1–9:8).
– individual healings through Life-power

Truth: The acknowledgment and affirmation of the Christ-Truth in man has a regenerating and resurrecting effect (Matt. 9:9–9:38).
– individual experiences in which the Christ-consciousness in the patient is appealed to, and thus a new sense of life is affirmed

Love: Love bestows a full measure of life, which fulfills itself in every detail (Matt. 10:1–14:36).
– Jesus sends out his twelve apostles
– seven parables of the kingdom of heaven (a fulfilled state)
– feeding of the 5000

TRUTH

Life, Truth, and Love establish true manhood as a divine calculus of ideas (Matt. 15:1–25:46).

Life: The impulsion of Life establishes the calculus of ideas in place of human calculations and opinions (Matt. 15:1–25:46).

- the commandments of God versus the tradition of the elders
- feeding of 4000
- to know the signs of the times
- the leaven of the Pharisees
- who is the Son of man?

Truth: The Christ-Truth (the divine calculus) has dominion over the human (the mortal calculus) and thus translates the human back into the divine (Matt. 16:21–19:15).

- “Get thee behind me, Satan.”
- mount of transfiguration
- who is the greatest? — “whoever shall humble himself”
- to save that which was lost
- to forgive seventy times seven

Love: In the all-embracing Love, the divine calculus resolves the mortal calculus completely (Matt. 19:16–25:46).

- Being is indivisible and therefore all mortal concepts have to be laid down (Matt. 19:16–20:34).
- the wholeness of the idea (Matt. 21:1–46)
- complete devotion to the Christ-consciousness (Matt. 22:1–23:39)
- the self-destruction and nothingness of error (Matt. 24:1–25:46)

LOVE

Life, Truth, and Love bring true manhood to fulfillment; no error can prevent salvation (Matt. 26:1–28:20).

(a) In the face of error

Life: The impulsion of Life enforces the complete disappearance of the mortal concept of man (Matt. 26:1–26:46).

- Bethany—Last Supper—Gethsemane

Truth: The whole gamut of error cannot touch the factuality of the Son of God (Matt. 26:47–27:44).

- Judas’ kiss—Jesus before the high priest—
- the denial by Peter—Pilate—crucifixion

Love: Love fulfills itself in the victory of the Son of God over every error (Matt. 27:45–61).
– darkness—veil of temple rent—earthquake
– rocks rent—graves opened

(b) In the oneness of Being

Life: The irrepressible impulsion of Life proves that the life of man is deathless (Matt. 27:62–28:8).
– Jesus’ resurrection.

Truth: The true form of the Son of God is an unchangeable fact (Matt. 28:9–17).
– Jesus reappears to his disciples.

Love: The design of Love is fulfilled: the universality of the Son of God (Matt. 28:18–20).
– “All power is given unto me in heaven and in earth.”
– “I am with you alway, even unto the end of the world.”

The Gospel According to Saint Luke

(This layout is based upon John W. Doorly's interpretation as given in
Talks at the Oxford Summer School 1949, Vol. II Luke and John)

<p>CHRISTIANITY as SCIENCE (Li, T, Lo)</p>	<p><i>Omnipresence of Life, Truth, and Love</i> ("Christ's Christianity is the chain of scientific being..."¹)</p>	
<p>Luke 1:1-25 Life Truth Love</p>	<p>The angel Gabriel foretells birth of John the Baptist to Zacharias, and Elisabeth conceives</p> <p>(Manhood is irresistibly alerted by Life, Truth, and Love to the appearing of the forerunner of the Christ-idea)</p>	<p>LIFE LIFE is the divine fatherhood forever expressing the omnipresence of Life, Truth, and Love</p>
<p>Luke 1:26-80 Life Truth Love</p>	<p>Gabriel foretells birth of Jesus to Mary Mary visits Elisabeth, and Elisabeth's babe leaps in her womb Mary's song of praise Birth of the Baptist who is named John</p> <p>(Through Life, Truth, and Love, womanhood accepts the full appearing of the Christ-idea itself and the appearing of the forerunner of the Christ-idea)</p>	<p>LOVE LOVE is the divine motherhood forever fulfilling the omnipresence of Life, Truth, and Love</p>
<p>CHRISTIANITY as CHRISTIANITY (Li, T, Lo, Sp, So, M)</p>	<p><i>Reflection of the Christ-idea as man throughout all space</i> ("...reappearing in all ages...")</p>	
<p>Luke 2:1-18 Life Truth Love</p>	<p>The birth of Jesus The shepherds go to worship him</p> <p>(The Christ-idea of Life, Truth, and Love appears and "shepherd" thought is made aware of it)</p>	<p>LIFE LIFE is the divine fatherhood behind the appearing of the Christ-idea</p>

Luke 3:1-4: 20
Spirit

Luke 4:21-5: 26

LIFE
LIFE, the divine individuality, maintains true identity and frees man from mortal identity

The Gospel According to Saint Luke,
 CHRISTIANITY as CHRISTIANITY, continued.

<p>Luke 5:27-39 Soul</p>	<p>The call of Matthew Jesus eats with publicans and sinners Parables of new wine and old bottles, and new cloth and old garment (Soul brings a completely new identification of man)</p>	<p>LIFE LIFE, the divine individuality, maintains true identity and frees man from mortal identity</p>

² *S&H*: 271:1-5

The Gospel According to Saint Luke,
CHRISTIANITY as CHRIST, continued

<p>Luke 7:1-35 Truth (cont.)</p>	<p>(The authority of Christ, Truth recognized by the centurion, the people—consequent upon the raising of the widow’s son—Jesus, and John the Baptist)</p>	<p>(This emphasizes “Principle; Mind” in Glossary definition of “God” interpreting Bible terms)</p>
<p>Luke 7:36-8:3 Truth</p>	<p>Mary Magdalene anoints Jesus’ feet in Simon the Pharisee’s house Jesus in Galilee ministered to by many women (Mary Magdalene discerned, accepted and anointed Jesus as the representative of Christ, Truth, and he accepted the Christ presence with the Magdalene. The Gospel According to Saint Luke,
CHRISTIANITY as CHRIST, continued

Luke 8:41-9:45
Life, continued

(Jesus' healings, feeding 5,000 and transfiguration compel Peter to say, "Thou art the Christ of God" and God declares, "This is my beloved Son: hear him." It is glorifying the Son of God and obliterating the concept of man born of woman, embodying birth and death)

Luke 9:46-62
Spirit

The last shall be the greatest
Jesus takes a little child and sets him by him
"He that is not against us is for us"
"Son of man hath not where to lay his head"
"Follow me...let the dead bury their dead"

(The Christ-idea in its pure reflection of Spirit has nothing to do with any mortal classification. Spirit alone diversifies, classifies and individualizes man, and only Spirit's substance has any validity)

LIFE
LIFE, the divine fatherhood, impels man forward individually, through relying on the spiritual alone
(This emphasizes "Truth" in Glossary definition of "God")

Luke 10:1-11:54
Spirit

The seventy sent out "two and two" with no scrip
Rejoice not over the works, but "because your names are written in heaven"

Comparison of Martha and Mary
Prayer (the Lord's prayer)
Parable of the importunate friend
Parable of the father giving good gifts
Jesus accused of casting out devils through Beelzebub
Woes on the Pharisees and lawyers for hypocrisy

(Going forward on our missions, relating in true love, praying, meeting the human need, our basis of dealing with evil, hypocrisy, etc. can only be fulfilled by the universal nature of Love's motherhood reflected through the purity of Spirit)

LOVE
LOVE, the divine motherhood, ensured the fulfillment universally of all relationship through the fullness of pure, divine reflection – no dualism
(This emphasizes "Love" in Glossary definition of "God")

Be ready and watching for the coming of the Son of man
Parable of the steward and his master’s servants
Discerning the signs of the times

LOVE

LOVE, the divine motherhood, ensures the purposeful fulfillment of Spirit’s reflection

³ *S&H*: 271:1-5

⁴ The word “Pharisee” means “separated ones”. They separated themselves at the time of the Maccabees from Hellenic influence. They were devoted to monotheism and keeping Judaic law, but they had grown arrogant, exclusive, emphasizing external law which led to hypocrisy and spiritual dullness.

The Gospel According to Saint Luke,
CHRISTIANITY as WORD, continued

Luke 13:1-14:35
Spirit, continued

(Here there is purposeful reflection – there can be nothing bound or rigid before Love’s fulfillment. Manhood and womanhood both play their part. Let Love’s plan accord you your place. *All* compelled to come to the supper. We need to let the spiritual be supreme in fulfilling our mission.)

Luke 15:1-19:27
Soul

Parables of the lost sheep, the lost coin, the prodigal son and the unjust steward
The rich man and Lazarus
“The kingdom of God is within you”
The coming of the Son of man
“Whosoever shall lose his life shall preserve it.”
Parable of the publican and Pharisee
Jesus blesses little children
“Why callest thou me good?”
The rich ruler
Jesus foretells death and resurrection
A blind man healed
Conversion of Zaccheus
The parable of the ten pounds

(The individuality of the fatherhood of Life makes it impossible for identity ever to be lost. It persists under all circumstances in changeless Soul, freeing man from sin and materiality and bringing salvation in a multiplicity of ways)

LIFE
LIFE, the divine fatherhood, maintains the eternity of fundamental spiritual identity

Luke 19:28-48
Soul

Jesus enters Jerusalem on an ass
Jesus weeps over Jerusalem
Jesus casts the money-changers out of the temple

(True identity inevitably fulfilled by Jesus, the representative of the Christ-idea. All that is not fulfilling its Christ identity is inevitably destroyed)

LOVE
LOVE, the divine motherhood, fulfills all identity

The Gospel According to Saint Luke,
CHRISTIANITY as WORD, continued

<p>Luke 22:66-23:56 Principle</p>	<p>Jesus before the Sanhedrin, before Pilate, before Herod, and finally before Pilate again Barabbas chosen The crucifixion Two malefactors also crucified "Father, forgive them, for they know not what they do" (It is the fatherhood of Life that supports and maintains the unity of Principle and idea, that brought Jesus through the attempt to crucify and destroy him as the representative of the Christ-idea, and it</p>	<p>LIFE LIFE, the divine fatherhood, maintains the irresistible operation of the power of divine Principle</p>

<p>Luke 24:1-53 Principle</p>	<p>The resurrection Jesus talks to two disciples on walk to Emmaus—expounds the Scriptures concerning himself Jesus appears to the eleven as they sit at meat and opens “their understanding that they might understand the Scriptures”</p>	<p>LOVE LOVE, the divine motherhood, glorifies itself in the perfect living interpretation of divine Principle</p>
<p>Luke 24:1-53 Principle (cont.)</p>	<p>Tarry ye in the city of Jerusalem, until ye be ended with power from on high” The ascension (The motherhood of Love ensures resurrection and ascension, also that the eternal Word of divine Principle interprets itself through inspiration and living demonstration)</p>

“Christian Science translates Mind, God to mortals. It is the infinite calculus defining the line, plane, space, and fourth dimension of Spirit” (Mis. 22:10).
