Synopsis:

Mary Baker Eddy, in *Science and Health* gave us “the Key to the Scriptures.” The key consists of the categories of being: the 7 synonyms for God, the 4-fold operation of Being, and the 4 levels of Science. John W. Doorly showed how biblical symbolism can be interpreted with this key, thereby showing that one spiritual system underlies both the Bible and *Science and Health*, and, therefore, Being itself. Using this spiritually scientific system, this class shows that the Prophets in the Bible—the twelve Minor Prophets and the four Major Prophets—announce the Christ-operation through a different aspect when considered in a *4 x 4 Christ-matrix*. These 16 different aspects form a coherent, divinely structured whole. Within each prophetic book, there is a spiritually ordered layout, which gives rise to *spiritual laws* that show the timelessness of the messages of the Prophets.
