The Thousand-Year Periods of the Bible

The thousand-year periods of the Bible show how the ordered nature of God provides the step-by-step way out of belief and ignorance to a spiritual understanding of God, bringing life and peace.

synonym	1000-year period (symbol)	steps of unfolding understanding
Mind	Adam to Enoch (c. 4000 – 3000 B.C.)	awakening from ignorance (the mist of Eden) to follow the light of spiritual ideas (Enoch walks with God)
Spirit	Noah story with the flood to tower of Babel (c. 3000 – 2000 B.C.)	turning away from material beliefs to build an “ark” of understanding, remaining with the purity and onliness of spiritual ideas
Soul	Abraham, Isaac, Jacob, Joseph into Egypt, Moses leading people out of Egypt, entering the Promised Land, Joshua, Judges (c. 2000 – 1000 B.C.)	going the way from sense (Ur, Egypt) to Soul (Canaan, the Promised Land), exchanging a physical, corporeal identity for our spiritual selfhood
Principle	Samuel to the kings; the prophets (c. 1000 B.C. – 1 A.D.)	rejecting government by persons or material organizations and finding true government through prophecy, through the operation of Principle’s system of ideas, which interprets itself to mankind and governs the universe
Life	the life of Jesus, the apostles, Paul and the spreading of Christianity (c. 1 – 1000 A.D.)	laying down a mortal, material sense of life and accepting the newness of Life in and of Spirit as a gift of grace, bestowed on man through unity with Life
Truth	c. 1000 – 2000 A.D.	pioneering scientific consciousness, forcing the fall of mortal consciousness; grounding our understanding of true being and manhood in scientific methods rather than relying on blind faith
Love	c. 2000 A.D. onwards	the reign of divine Science: annihilation of fear, anxiety, provincialism, partiality, narrow-minded materialism; emergence of peace and fulfillment of the design of the Bible to establish a divinely scientific consciousness of God.
