My Credo:  
Structure defined

- I. Is the Textbook a scientific textbook?
  1. What can one expect from a textbook?
  2. The criticism from outsiders
  3. Can we answer the critics?
  4. The criticism from insiders
  5. What are our findings?
  6. How did we arrive at the new findings?
  7. The necessity for a consciousness mutation
  
- II. The Structure of the Textbook
  1. What constitutes the structure of the Textbook?
  2. What is the content of the structure of the Textbook?
  3. Why was the structure not seen before?
  4. The language of Spirit
  5. Scientific text interpretation
  6. The place value of healing in the Textbook
  7. The Textbook: Our way of Life
  
- III. Christian Science today
